The Pro-life Movement Needs You!
Pearson Place Pregnancy Center assists mothers and fathers on Oahu facing unexpected or financially difficult pregnancies. Pearson Place Pregnancy Resource Center recently relocated to 1145 Bishop St, Honolulu HI. We need your help to continue Pearson's pro-life mission by volunteering your services or financially supporting our efforts. Volunteers, male or female can fill a variety of roles, but peer counselors are especially needed at this time. Whether a college grad with a psychology degree hoping for experience, a parent who knows how to listen and advise, or a teen looking to lift up struggling peers, we want you! Training is provided, no degrees are necessary. Schedules are flexible to suit your state in life. Contact the Office Manager, Mary Smart, at (808) 741-2358 for more information.

We thank God for the great gift of our mothers. God has given them to us, willing from before all time that they should be witnesses to us of His love. Their example of great personal sacrifice reveals to us a hint of the mystery of God's love. Through them we can see more clearly the abundance of God's own love for His people. God bless all Mothers!

Seminarian Arrion Rosales-Llantos

The seminarians today probably know that, in seeking the priesthood of the Catholic Church under 21st-century cultural and political circumstances, they're taking a great risk, including the risk of martyrdom (which comes in many forms). Their happy embrace of, and their determination to prepare well for a life of risk is perhaps the most impressive thing about them. They deserve our thanks, our support, and our solidarity in prayer. Thank you so much Aarion for the beautiful and well instructed orientation on altar serving.

Salesian Sunday Reflection Ascension of Our Lord May 16, 2021

Today we experience Jesus in His risen body ascending into the fullness of God's kingdom. St. Francis de Sales notes:

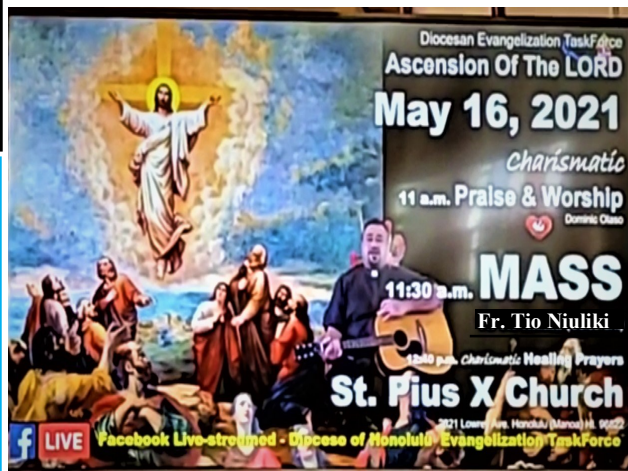

The mystery of the Ascension dazzles us. If we understand the Ascension, the most abundant treasure of Jesus' gifts will be given to us. His body, no longer physical but spiritual, penetrates the heavens and is present in the Eucharist. He gives Himself to all those who wish to receive and embrace Him. In a hidden way, He is transforming all.

God's love is continually divinizing our humanity. Our life of divine love places an obligation on us to love our bodies properly. They constitute part of us as a human person and will share in eternal happiness. We as Christians must love our bodies as living images of our incarnate Savior. We must also love this divine image in each other.

When we begin to live a life “hidden in God with Jesus Christ,” we live out of our true interior self. We live a new life of divine love. Our selfish loves are in the service of divine love. How did we achieve this? Strong sunlight causes the light of the stars to disappear. Similarly, when we set up a stronger affection for imperishable, eternal things, we extinguish our inordinate love of ephemeral things. The stronger more powerful fire of God's love extinguishes our excessive love of lesser things.

Jesus' Resurrection-Ascension empowers us to live this new life of holy love that is contrary to all the opinions and rules of our materialistically oriented culture. Christ's love is the wellspring of our love. Nothing urges on a person's heart so much as love. Let us walk joyously among the difficulties of this passing life, since all is perfected and brought to perfection in the eternal beatitude of Heaven. Then Our Savior will glorify us with His splendor, for we loved all things, not for ourselves, but for the glory of God.

MASS INTENTIONS

The best way to remember our dearly departed is by praying for them. And the best prayer we can offer is the Holy Sacrifice of the Mass.

Masses can be offered for health and healing, birthday blessings, in thanks-giving, etc. So we encourage you to visit the parish office and register.

A priest is always free to accept an offering for less than or more than the standard amount.

Thank you:
