**New Beatification Schedule Set!!!**

Venerable Maria Concepcion  
Barrecheguren Garcia

The beatification ceremony of the Ven. Venerable Maria Concepcion Barrecheguren Garcia is set to take place on May 6 in the Cathedral of La Encarnación del Señor, Granada, Spain. Maria Concepcion possessed a simple and pure faith, one that was nurtured by the example of her father. She wanted to be a Carmelite nun, but she died due to tuberculosis. She was only 22 years old.

**JESUS IS WITH US AT THE MASS**

Most of us are familiar with Jesus' promise that He is always with us, wherever two or three are gathered in His name. This is truer at Mass than at any other gathering or worship space. He is present with us on multiple levels. He is present in our communion with each other, mystically pouring out Himself through our common prayer. He is present in the priest, who acts in the person of Christ as he offers the body and blood of our blessed Lord on the altar to His Heavenly Father. He is present in the Word proclaimed from the scriptures by the lectors and by the deacon and priest, for He is the Word made flesh and is present whenever that Word is proclaimed. But above all else, He is most profoundly present in the Eucharist itself. Inside every host and every drop within the chalice is His body, blood, soul, and divinity. This is not a symbol or a metaphor, but His actual physical self. Yes, it looks like bread and tastes like it, but with our faith, we know that this is His body and blood. Within that body and blood, Jesus is alive and present. It is Jesus who we see on the altar, who we receive on our hands and on our tongue, and who we consume into our very bodies so that we can take Jesus with us as we depart from the walls of the church and go forth into the world. God is in no way distant from us when we gather to worship at Mass. Rather, He is there with us and is so close to us that He allows us to take Him into our very selves so that we can be one with Him. **(Teaching Mass Memo from the Diocese of Honolulu)**
