CROWNING OF MARY

The May Crowning is a traditional Catholic devotion held during the month of May, recognizing Mary as Mother of God by placing a crown of flowers on her statue.

St Damien de Veuster of Moloka'i

When Joseph de Veuster was born in Treme-lo, Belgium, in 1840, few people in Europe had any firsthand knowledge of leprosy, Hansen's disease. By the time he died at the age of 49, people all over the world knew about this disease because of him. They knew that human compassion could soften the ravages of this disease.

Forced to quit school at age 13 to work on the family farm, Joseph entered the Congregation of the Sacred Hearts of Jesus and Mary six years later, taking the name of a fourth-century physician and martyr. When his brother, Pamphile, a priest in the same congregation, fell ill and was unable to go to the Hawaiian Islands as assigned, Damien quickly volunteered in his place. In May 1864, two months after arriving in his new mission, Damien was ordained a priest in Honolulu and assigned to the island of Hawaii.

In 1873, he went to the Hawaiian government's leper colony on the island of Moloka'i, set up seven years earlier. Part of a team of four chaplains taking that assignment for three months each year, Damien soon volunteered to remain permanently, caring for the people's physical, medical, and spiritual needs. In time, he became their most effective advocate to obtain promised government support.

Soon the settlement had new houses and a new church, school and orphanage. Morale improved considerably. A few years later, he succeeded in getting the Franciscan Sisters of Syracuse, led by Mother Marianne Cope, to help staff this colony in Kalaupapa.

Saint Damien contracted Hansen's disease and died of its complications. As requested, he was buried in Kalaupapa, but in 1936 the Belgian government succeeded in having his body moved to Belgium. Part of Damien's body was returned to his beloved Hawaiian brothers and sisters after his beatification in 1995.

When Hawaii became a state in 1959, it selected Damien of Moloka'i as one of its two representatives in the Statuary Hall at the US Capitol. Damien was canonized by Pope Benedict XVI on October 11, 2009.

SAINT ANSELM OF
CANTERBURY

Father Michael Thomas Tupou Castori

The Vatican accepted the resignation of Bishop Larry Silva and named Jesuit priest *Father Michael Thomas Tupou Castori* to lead the Diocese of Honolulu. He will be the sixth bishop of Honolulu.

The diocese introduced Castori as bishop-elect Wednesday at the St. Stephen Diocesan Center in Kaneohe. Castori was scheduled to be the main celebrant of a public Mass on Thursday, May 7, at the Co-Cathedral of St. Theresa in Honolulu.

Silva submitted his resignation on his 75th birthday in August 2024, as required by the Catholic Church. Diocesan bishops are required to submit their resignations to the Holy See upon turning 75, but there is no set timeline for a pope to accept a resignation and appoint a successor.

Castori is a member of the Society of Jesus, commonly known as the Jesuits. The diocese said he most recently served as rector of the Arrupe Jesuit Community at Seattle University.

The diocese said Castori has served in pastoral ministry and education in California and in the South Pacific, with experience in Tonga, Guam, Fiji and the Marshall Islands.

"I was warmly welcomed into the home of Malatino and Kalalaī Tupou in the village of Fasimoafoe (in Tonga), means faith with fire, and became fully a member of their family," Castori said. "My legal middle name, Tupou, is a marker of that moment in my life.

"It certainly heightened my interest and desire to the language and the culture, but most of all just to experience the graces of life in the Pacific," he said.

Castori said he initially wanted to decline the appointment, but after praying, he believed God was calling him to accept the role.

"During those two days, I found relief for my soul in only two prayers: 'Your will be done' and the prayer of St. Ignatius Loyola," he said.

He said he knows there is a lot of anger, hurt and unrest in the world and seeks to be a light during this present darkness.

"If you really stay with the promises that our Lord made to us, you will find hope and others who are working together to try to heal the wounds of sin and division, and try to lift up those who are least in society, mend the brokenhearted. This is our faith," he said.

What happens next

The diocese said Castori must first be ordained a bishop and then installed to formally take leadership of the Diocese of Honolulu.

His episcopal ordination and installation are scheduled for Tuesday, July 28, at 10 a.m. at the Co-Cathedral of St. Theresa.

The diocese said Silva will serve as apostolic administrator beginning May 6 and

You shall love the LORD your GOD with all your heart, with all your soul, with all your mind, and with all your strength.

A Prayer in Gratitude for Our Mothers

Good and Gentle God, we pray in gratitude for our mothers and for all the women of theory who have joined with you in the wonder of bringing forth new life. You who became human through a woman, grant to all mothers the courage they need to face the uncertain future that life with children always brings. Give them the strength to

live and to be loved in return, not perfectly, but humanly.

Give them the faithful support of husband, family and friends as they care for the physical and spiritual growth of their children. Give them joy and delight in their children to sustain them through the trials of motherhood. Most of all, give them the wisdom to turn to you for help when they need it most.

Mother's Everywhere

May the blessing of the Divine Be an especially bright benediction Upon mothers everywhere

On your blessed day -

On Mother's Day!

An Irish blessing

There is but one and only one, Whose love will fail you never.
One who lives from sun to sun, With constant fond endeavor.
There is but one and only one On earth there is no other.
In heaven a noble work was done When God gave us a Mother.

A Mother's Love

There are times when only a mother's love Can understand our tears,
Can soothe our disappoints And calm all of our fears.

There are times when only a mother's love Can share the joy we feel
When something we've dreamed about Quite suddenly is real.
There are times when only a mother's faith Can help us on life's way
And inspire in us the confidence We need from day to day.
For a mother's heart and a mother's faith And a mother's steadfast love
Were fashioned by the angels And sent from God above.

A Mother's Day Prayer

I said a Mother's Day prayer for you to thank the Lord above for blessing me with a lifetime of your tenderhearted love.
I thanked God for the caring you've shown me through the years, for the closeness we've enjoyed in time of laughter and of tears.
And so, I thank you from the heart for all you've done for me and I bless the Lord for giving me the best mother there could be!

To the Moms Who Are

To the Moms who are struggling, to those filled with incandescent joy.

To the Moms who are remembering children who have died, and pregnancies that miscarried.

To the Moms who decided other parents were the best choice for their babies, to the Moms who adopted those kids and loved them fierce.

To those experiencing frustration or desperation in infertility.

To those who knew they never wanted kids, and the ways they have contributed to our shared world.

To those who mothered colleagues, mentees, neighborhood kids, and anyone who needed it.

To those remembering Moms no longer with us.

To those moving forward from Moms who did not show love, or hurt those they should have cared for.

Today is a day to honor the unyielding love and care for others we call 'Motherhood,' wherever we have found it and in whatever ways we have found to cultivate it within ourselves.

A Mother's Day Prayer to Honor and Bless Moms

Heavenly Father, I speak this prayer to you now in gratitude and praise for the gift of mothers. My mother, those of my friends, relatives, those I'll never know, all mothers. Thank you for the role they play in the family unit. Thank you for their teachings, their wisdom, their patience, and understanding. Thank you for the physical, emotional, and **spiritual gifts** they possess. I pray that you help mothers all across the world to be a blessing upon their children. Whether delivering affirmation or discipline, I pray that you help every word and action to be done in love. And I pray that children throughout the world would take time to honor their mothers, that you would show them how to uniquely do so. I pray that these mothers also act as a blessing beyond their households, reaching into their extended families, communities, churches, schools. I pray that the impact of motherhood is revered throughout society and that these women are acknowledged for their everyday impact on the world. May you guide each of them into fulfilling their purpose here on Earth. Amen.
